www.butchgraydj.com

A new, exciting service is now being offered by Butch Gray, DJ/Entertainer, LLC!

We have found that many clients were happy to receive their crystal clear audio CD. Every speech can now be recorded with Butch's new state-of-the-art system! The speeches are equalized and recorded on the day. You can listen to everything that was said or use the file as a music bed for video and slide shows.
